UNIcert® LUCE
(Language Accreditation Unit for Universities in Central Europe)
Member of NULTE
(Network of University Language Testers in Europe)

Mission:
The UNIcert® LUCE represents a collective body consisting of universities and university bodies in the Czech and Slovak Republics striving to enhance the quality and transparency of higher education language programmes and examinations in the region and beyond.

Vision:
The objective of the UNIcert® LUCE’s activities is to become a hub of theoretical and practical knowledge generated by language teaching professionals, examiners, language designers, language programme developers and other stakeholders operating in higher education.

UNIcert® LUCE:
- accredits and monitors language programmes and examinations of the interested higher education institutions within the Czech and Slovak Republics in the UNIcert® scheme;
- provides individual and collective consultations and advice to the Institutions of the Czech and Slovak Republics interested in accrediting their language programmes and examinations in the UNIcert® scheme;
- publishes documents helping higher education institutions to shape their language programmes and examinations according to the principles of the UNIcert® scheme;
- organizes workshops and seminars for language teachers and examiners, language programme designers and other stakeholders of the interested higher education institutions;
- promotes UNIcert® scheme at conferences, seminars, workshops, and other professional events;
- collects information, practical experiences and suggestions from the member institutions and individuals to enhance the UNIcert® scheme;
- records and reports on the scheme members’ activities within the UNIcert® LUCE capacity.
